Diver certification begins here. Start with Thailand Diving online eLearning course. Move to the pool and practice your new skills. Then experience four open water (ocean/lake) dives.

1 Learn to Dive Close to Home

Complete the online training while connected with a Thailand Diving online eLearning course and complete 100% of your training close to home.

Benefits: take as much time as you need and connect with your local community of divers

2 Start at Home, Finish on Vacation

Complete the online training and pool training with Thailand Diving online eLearning course and complete the open water dives while on holiday.

Benefits: support Thailand Diving dive shop, don't waste valuable vacation time studying and practicing skills, spend more of your vacation time diving

3 Learn on Vacation

Complete all elements of your scuba course (independent study, pool practice, and open water dives) – while on vacation. Use Thailand Diving online eLearning course to finish your independent study online before or during travel to minimize classroom time.

Benefits: learn to scuba dive abroad, meet other student divers from other parts of the globe
